on Each Club Win Fifty Per Cent of Games Pitched.

### TWENTY-FOUR IN ALL

Just That Number Are Credited With Copping Half of Contests.

New York, January 4—If more than he per cent of the efficiency of a base-ball club depends upon the pitching, as many players believe, it might be well to look over what the twirlers of the various National League clubs did last year when seeking to dope out the possibilities of this year's race. Twenty-four pitchers were officially credited with winning 50 per cent or more of their games. Of these six wore New York uniforms, six were Cubs, four miretinati and Boston one cace, Perdue was the Boston pitcher who had the philipost official figures and his average with and Boston one cace, Perdue was the Boston pitcher who had the highest official figures and his average with the second prices were tested.

The New York pitchers were Testean. Marquard, Ames, Mathewson, Crandail and Wilse, and they are still in the fold. The six Chicago men were Chence, Richie, Leifield, C. Smith, Reulinate and Wilse, and they are still in the fold. The six Chicago men were Chence, Richie, Leifield, C. Smith, Reulinate and Wilse, and they are still in the fold. Memphis. Tenn., January 4.—Kit Dalton, former member of the James, boys and Dalton gang of bandits, said to-day that the \$57,000 found by George Hardsook, a laborer, working on a pipe line trench near Claremore, Okla., was part of \$70,000 taken in a Missouri Pacific train robbery in 1874, near Moscreet, a town that has been abandoned.

"The robbery was made one night in October," said Dalton. "The Sang was led by Jesse James, and with him were Dick Little, Jim Cummins, Jim Collins and four others. Collins and Little boarded the blind at a water tank just west of Moscreet.

"They got nearly \$70,000, most of it

Point Trophy in Indoor Junior Championships.

New York, January 4.—Possession of the Foint trophy in the junior indoor champtonships of the Amateur Athletic Union, held to-night at the Twenty-accord kegiment Armory, was in doubt until the final event of the meet, a two-mile run. This race was won by M. A. Devenney, of the Irish-American Athletic Chub and brought victory to the Winged Fist athletes by the narrow margin of two points. The winning chib had a total taily of twently-two points, while its old-time rival, the New York Athletic Club, scored twenty. The Long Island Athletic Club, scored twenty and the Long Island Athletic Club, scored

H. A. Lovell, Irish-American Athletic Club, won the sixty-yard high hurdles in 8 3-5 seconds, with W. Trenholm. New York Athletic Club, second, and W. E. Porter, Yale, third.

pects to slide her off the mud bank without any further trouble.

There is, no danger, as the weather is clear and the ship lies close to shore. The necessary of the past twenty-four human there was an exceptionally low tide, tower than the older boatmen of the river front have known in many years. Ordinarily the Amerika with full cargo aboard can clear the channel bottom at the point she struck to-day even at low tide, with several feet to spare.

### COURT CLERK'S BIG FEES

Queens County, N. Y. Official's Salary \$50,000 Last Year.

New York, January 4.—A sum equal to the rainry until recently paid the President of the United States, or to that which the highest salaried heads of corporations receive, is said to have been won by Martin Mager as county clock of Queens during the past year. It is estimated that \$51,50 papers were filed with the clerk at an average fee of \$1, making a total of about \$70,000, of which \$50,000 was the approximate profit.

Takes Last Event to Decide They Have Made Hard Fight **Against Arbitrary Actions** of Managers.

Although the story of Madame Humbert and her fraudulent millions has presumably penetrated all parts of the world, a German version of the swindle has just been stopped, and the perpetrator, Mrs. Anni Sanueck, sentenced to two and a half years' imprisonment. With a companion, an architect named Spel, she played upon the gullibylity of Berliners through an alleged inheritance of \$450.600 from an uncle in Russia. Spel was able to embark in extensive building operations, many of which were conducted
